| Step | Screen |
|--|---|
| <p>4. Type the Secondary Password: push</p> <p><i>Optionally, you can check the box next to "Save settings"</i></p> <p>Click Connect</p> |  <p>The screenshot shows the Pulse Secure mobile application interface. At the top is the Pulse Secure logo. Below it, the text 'Connect to: JPort' is displayed. A grey box contains a question mark icon and the text 'Provide the following credentials to complete the connection.' Below this are two input fields: 'Secondary User Name:' and 'Secondary Password:'. The password field contains four dots. A checkbox labeled 'Save settings' is below the password field. At the bottom right are two buttons: 'Connect' (green) and 'Cancel' (grey).</p> |
| <p>5. Approve the verification request from your phone or tablet by tapping the green bar at the top of the screen.</p> |  <p>The screenshot shows a mobile app interface on a Verizon phone. The status bar at the top shows the time as 1:17 PM and battery at 72%. The app has a dark blue header with 'Edit' on the left, a logo in the center, and a plus sign on the right. Below the header is a green bar with a white circle containing the number '1' and the text 'Request Waiting. Tap to Respond...'. Below this is a section for 'Administrative Offices of The US Courts' with a key icon in a green box. At the bottom, it says 'Tap here for help'.</p> |

| Step | Screen |
|--|--|
| 6. Tap Approve |  |
| 7. A successful connection has been made when you see the “Connected” status in Pulse Secure. |  |
| <p>Once connected to VPN, you can access the Horizon VDI Portal. Please remember to disconnect from VPN when concluded with court-related work.</p> | |
